

## Curriculum Vitae

\*영문으로 작성 부탁드립니다.

	<b>Name in Full</b>	<b>Mina Ming-yin Shen</b>
	<b>Country</b>	<b>Taiwan</b>
	<b>Affiliation</b>	<b>China Medical University</b>
	<b>Email</b>	

### **Educational Background**

Assistant Professor, National Tsing Hua University, Taiwan  
Assistant Professor, China Medical University, Taiwan

### **Professional Career**

- Vice Superintendent, China Medical University Hsinchu Hospital, Taiwan (Current)
- Official Proctor, da Vinci Robotic Colorectal Surgery, Taiwan
- Designated Surgeon, da Vinci Case Observation Epicenter
- Board Member, Taiwan Society of Colon and Rectal Surgeons (TSCRS)
- Board Member, Endoscopic and Laparoscopic Surgeons of Asia (ELSA)
- Board Member, International Society of University Colon and Rectal Surgeons (ISUCRS)
- Board Member, Asia Pacific Endo-Lap Surgery Group (APELS)

### **Research Field**

**Minimally Invasive Colorectal Surgery:**

Extensive clinical experience with over 2,000 laparoscopic colorectal surgeries.  
Advanced robotic surgery expertise with over 500 da Vinci Xi cases since 2021.  
Specialist in laparoscopic and robotic-assisted surgical techniques.

**Proctology & Anal Disease:**

Specialized in the treatment of complex anal diseases.

Performs approximately 700 hemorrhoidectomies annually, maintaining a high-volume clinical practice.

**Surgical Education & Mentorship:**

**KAROS**  
THE KOREAN ASSOCIATION OF  
ROBOTIC SURGEONS

Clinical training and observation for international fellows and surgeons in minimally invasive colorectal procedures.

**KAROS**  
THE KOREAN ASSOCIATION OF  
ROBOTIC SURGEONS
